

March 27, 2016

Arlington Street Church has been an important part of my world since last spring. I first attended services last February, and have grown to love not only Sundays, but the rich wealth of activities Arlington Street offers outside of the sanctuary:

Like singing with the choir on Thursday nights, and sitting with my friends at the Arlington Street Zen Center on the 2nd and 4th Tuesdays.

This past June I had the honor and privilege of walking with my friends in the Pride Parade—my first.

I give to Arlington Street Church because I want others to have these same opportunities.

I give to Arlington Street because I believe whatever I can contribute to this great place will be put thoughtfully toward initiatives that promote love, service, justice and peace.

Arlington Street Church was a jewel, hiding in plain sight, waiting for me to find it when the time was right in my own life to see it, to be here, with you.

I give to Arlington Street Church so others may find and share this treasure.

Covenant Renewal is our annual fundraising drive for the operating budget of Arlington Street Church. We will make our pledges and celebrate our generosity on May 15th, Covenant Renewal Sunday.

This being Leap Year, our Covenant Renewal theme is 'Leap for ASC'. We are challenging everyone to find their own meaning of 'leap' and their own way to stretch.
