Spirit: Staying Resilient in Tough Times

Sunday, January 31st ~ 1:00–3:00 pm, Frothingham Library

Spirit is the driver of resilience and the seed of hope. These dark days present special challenges. This workshop will show you how to create a sustainable spirit and make clear what you can do specifically to stay resilient. You'll gain new tools and frameworks to live without fear, and learn to flourish not despite challenges, but rather because of them. Resilience is one of the Six Fundamental Human Desires. It's never too early or too late to be resilient!

The Spirit of Desire: Introducing the Six Fundamental Human Desires

"Spirit lives in and for Desire." More information is available in the brochures in the main hallway and on our website: www.spiritfulliving.com. (Note time change to only 2 hours!)

Spirituality and Architecture

Seanan Holland, Intern Minister

Sunday, January 31st ~ 1:00–3:00 pm

How well have we created our cities and towns? Do they serve our human condition well? If our cities are a monument to god, then what is that god like? Bring your imaginations to explore possibilities for the future. Our intern minister, Seanan, will lead a visual exploration of spiritual expression in human (and non-human) dwellings.
