WELCOME

CHALICE LIGHTING

From *The Oversoul* *Ralph Waldo Emerson* (1803 - 1882)
Within us is the soul of the whole, the wise silence, the universal beauty, to which every part and particle is equally related; the eternal One.

When it breaks through our intellect, it is genius; when it breathes through our will, it is virtue; when it flows through our affections, it is love.

The flaming chalice is the symbol of our free faith.

As a convenient option, you may text the word GIVE to 617-300-0509 or scan the QR code. *Thank you for your stewardship and support!*
